SUMMARY

Motivated and enthusiastic Computer Engineering student with knowledge of Web Development, Data Analytics, and AI/ML concepts. Passionate about learning new technologies and applying technical knowledge to solve real-world problems. Seeking an opportunity to enhance practical skills, gain industry experience, and contribute effectively to organizational growth.

EDUCATION

B.Tech (Computer Engineering) – Pimpri Chinchwad College of Engineering, Pune | 2023–2027 | CGPA: 7.5/10
HSC – Bhawanji Bhai Chawhan High School, Chandrapur | 2023 | 78.17%
SSC – Bhawanji Bhai Chawhan High School, Chandrapur | 2021 | 96%

TECHNICAL SKILLS

Programming Languages: C, C++, Python
Frontend: HTML, CSS, JavaScript, React.js
Backend: Node.js, Express.js
Databases: MySQL, MongoDB
Cloud: AWS
Tools: Git, GitHub, VS Code

PROJECTS

StayEase – Room Rental Platform | React.js, Node.js, Express.js, MongoDB

- Developed a web platform for finding rental accommodations, including 1BHK, 2BHK, single, and shared rooms.
- Built a responsive user interface using React.js for property browsing and search.
- Implemented backend APIs and MongoDB for managing room listings and user data.
- Applied the MERN stack to create a scalable full-stack web application.

Multilingual Image Caption Generator | Python, Deep Learning

- Developed a deep learning model for generating captions from input images.
- Trained and evaluated the model for multilingual image caption generation.
- Applied image processing and neural network techniques for caption prediction.

Other Projects: Smart Complaint Management System (HTML, CSS, JavaScript) | Nykaa Product Recommendation and sales Analytics (HTML, CSS, Python, Power BI) | E-commerce website (HTML, CSS, Javascript, MongoDB, Node.js, Express.js)

INTERNSHIP

Prodigy InfoTech - Web Development Intern

- Developed web projects using HTML, CSS, and JavaScript.
- Built applications such as a Weather Application, Portfolio Website, and Stopwatch.
- Integrated APIs and worked with API keys to fetch and display real-time data.
- Gained hands-on experience in responsive web design and frontend development.

CERTIFICATIONS

- Python Bootcamp – Udemy
- Introduction to Computer Networks – Simplilearn
